About the Book

Neil J. Morton

Neil Morton releases true life story of adventure and romance as a steward in the British Merchant Navy.

On leaving school Neil Morton knew that the dreary nine to five existence in office or factory was not for him. Adventure was what he craved and adventure and romance aplenty called during the years that were the heyday of Britain's proud merchant flag, the "Red Duster".

From Brazil to the Caribbean, to New Zealand and Australia, the author will share with you a rollicking yarn or two.
