About the Book

Chris Pownall releases a hilarious autobiography including a fifty year fulfilling career and various travels around the world.

This is the story of Chris Pownall's life beginning from early childhood to retirement. Chris' autobiography is unique because he tells his story with a slant towards the more hilarious side of his life.

Chris has always had a reputation for being there when things were going wrong—but it's nothing to do with him really! His former work colleagues will bear witness to situations involving freak weather conditions and disrupted travelling arrangements. His sense of humour has seen him through many difficult situations—which he managed to salvage with wit and discretion (Even if he says so himself)!
