About the Book

A superbly written fantasy fiction novel with beautifully crafted characters

‘Beauty is only skin deep, it’s what’s inside a person that counts,’ very nice sentiments, but does anyone actually believe these little pearls of wisdom? Joss Hinchcliff was at a disadvantage from the moment he was born. You could not disguise the fact that he was a very ugly child, but he did not deserve the treatment that was dished out to him.

From birth, Joss had been a figure of fun; for years he had endured this bad behaviour because he was lonely and wanted to be part of the community...

Then one day he found an abandoned vintage car which he re-built. As he was to discover, this was no ordinary car. Whilst out on a road test one day, it whisked him away to a mysterious place which would change his life forever.
