About the Book

Oge Austin-Chukwu releases a new inspiring book full of godly wisdom gleaned from the women of the bible and repackaged for today's contemporary woman.

Women of the Bible are intriguing - there's something to learn from each of them. Perhaps it is because we can see in them an ordinariness that we can relate to. They had faults and faced challenges as we all do.

From prostitute to Chief Justice, each one has a story to tell, if we care to listen. Pearls of Wisdom takes a brief look at thirty-one of these women from the Old and New Testament and pulls out lessons for practical living that will encourage and challenge you.
