About the Book

Henry Disney releases a collection of skilfully crafted, diverse poems designed to communicate and challenge but above all to give pleasure.

Henry Disney's is, to borrow a phrase, a beautiful mind, and also a tough mind." So wrote Kitty Ferguson in her review of his sixth collection. This seventh collection of poems reinforces this perception.

Henry Disney says "This seventh collection brings together poems that have been published individually in a range of magazines, anthologies and other outlets, many of which are not now readily available. The range of topics covered and variety of styles aim to communicate, to challenge on occasions but above all to give pleasure."
