About the Book

Murder mystery on the Scottish Borders

It is 1964, Leonard McFadden - a brash, young cockney reporter for a national newspaper is dispatched by his editor to the Scottish Borders, to follow up on the strange case of Doctor James Parker. Along with a party of other journalists he attends a midnight vigil in a rain-sodden churchyard by the River Tweed.

Returning to the graveside in the early morning sunlight and suffering from a queasy stomach - the editor's golden boy, young reporter Leonard McFadden, staggers and grasps a tombstone for support, and plunges headlong into a strange and deadly mystery that fate has diabolically thrust across his path.
