About the Book

Enthralling crime thriller – set in the textile industry

James Poynter is a young man out for revenge. Set up for a crime which he did not commit, and by someone whom he felt he could trust implicitly, his sole focus becomes one of retribution against his former employers.

His future at Brodsworth Textiles disintegrated one Friday evening prior to his wedding, when conscientiousness overtook him and he returned to the factory after work to rectify an error in his paperwork. What he discovered that night changed his life forever and set off a chain of events which sent him spiralling downwards, and out of a job which had promised so much.
