About the Book

The Pen is Mightier than the Bomb

Henry Disney's experience has convinced him that it is folly for the West to intervene in conflicts in the Moslem world, not the least because it leads to a surge of recruitment to the most extreme Jihad movements. His experience has also served to reinforce his Christian commitment to the rejection of war as a means of solving political conflicts.

These pointedly political poems are punchy and hard-hitting, the author pulls no punches in denouncing the warmongers. He purports a different approach because he is convinced there is a better way - Christ's way - a rejection of violence.

Unashamedly political poems from an author that's been criticised for being too hard on Bush and Blair as opposed to the likes of Hitler or Saddam

"A war of words against warmongers" ...publishedbestsellers.com
